A Guide to our Symbols

Understanding our symbols makes it easy to choose the right tiles for every space. Here's what they mean:

	Porcelain Tiles High-quality, durable porcelain tiles.		Wall Tiles Designed specifically for wall applications.
	White Body Made using a white bodied ceramic.		Floor Tiles Suitable for use on floors.
	Red Body Traditional red bodied ceramic tiles.		Gloss A glossy surface that reflects light
	Polished Highly polished surface for a sleek finish		Matt Non-reflective surface for a natural finish
	Satin Soft sheen surface for a subtle look		Eco-Friendly Sustainably produced with the environment in mind.
	Class 1 Suitable for walls and light use areas		Class 2 Suitable for all residential floor areas.
	Class 3 Suitable for heavier residential and light commercial use		Ideal for Pools Suitable for use in swimming pools
	V1 Uniform Appearance Minimum variation between tiles for a consistent look		V2 Slight Variation Slight colour and texture variation for a natural finish
	V3 Moderate Variation Moderate colour and texture variation for a natural look.		V4 Strong Variation High variation for a bold, natural effect

WELCOME

PREMIUM TILE COLLECTIONS. THOUGHTFUL DESIGN. TRUSTED PARTNERSHIPS

As an experienced team of industry professionals, at the heart of everything we do is a passion for beautiful interiors and a commitment to quality. We have partnered with some of the best tile manufacturers in Europe and we are pleased to offer our customers high-quality, premium tile collections that combine timeless style, natural textures and lasting performance.

Our range of tiles is available on a wholesale basis throughout the UK and Ireland, and we work closely with our network of retailers to offer competitive pricing, dependable stock availability and efficient delivery.

As the range is continually evolving, we are always adding new collections, so please contact our team if there are specific styles of tiles that you are searching for.

STYLING THE LUXOR COLLECTION

Luxor textured ceramic wall tiles bring Mediterranean character and handcrafted texture to beautifully designed spaces. Explore versatile styling directions that celebrate aged tones, glazed finished and timeless, decorative possibilities.

1

COASTAL CALM

Light, airy and relaxed. Soft neutrals paired with sea-kissed tones, create a serene coastal feel.

2

WARM PATINA

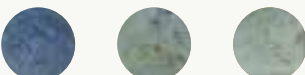

Rich, earthy and inviting. Warm oxidised tones add depth and character to intimate spaces.

3

MEDITERRANEAN BLUE

Bold and vibrant yet understated. Layered blues bring a refreshing Mediterranean atmosphere.

4

EARTHY CONTRAST

Grounded and sophisticated. Natural neutrals and dark accents create balance and modern style.

DESIGNED TO INSPIRE

The Luxor range is a celebration of texture and tone that adds depth, personality and timeless style. The earthy tones combined with the almost jewel like blues will offer depth and interest to every wall space.

LANDMADE

Ceramic Wall Tiles

Add a contemporary finish with our Landmade range of wall tiles, featuring a ceramic white body. The range includes a variety of modern, complementary colours.

CERAMIC WALL TILES

Elegant surfaces, decorative detail and versatile design

Ceramic wall tiles bring softness, texture and decorative appeal to any space, enhancing bathrooms, kitchens and feature walls with light-reflective beauty and effortless style.

From subtle neutrals to intricate patterns, our collection offers endless possibilities to create interiors with lasting appeal.

Featuring soft neutrals, decorative surfaces, textured finishes and statement wall designs.

CERAMIC WALL TILES

A CURATED COLLECTION OF CERAMIC WALL TILES, FEATURING A VARIETY OF DECORATIVE FINISHES.

The Ceramic Wall Tile Collection brings together a versatile selection of wall tiles designed to elevate bathrooms, kitchens and feature spaces. From soft neutral surfaces and timeless stone effects to decorative patterns, mosaics and textured finishes, this collection offers a wide range of styles to suit both classic and contemporary interiors.

Carefully selected for their visual appeal, practical performance and design flexibility, these ceramic wall tiles are ideal for creating everything from understated full-wall schemes to eye-catching splashbacks and statement features. Whether used to add subtle texture, refined detail or bold decorative impact, each range has been chosen to help retailers offer customers inspiring and accessible wall tile solutions.

REFINED STYLE

Plain and decor tiles can be layered together to create calm contemporary interiors with texture, depth and understated sophistication.

1 CALMING NATURE

Pair the plain tiles with warm whites, oak and soft stone tones for a calm, natural foundation.

2 LINEAR DETAIL

Use the 3D decor tile to add subtle movement and architectural texture on feature walls, vanities and shower zones.

3 MODERN BALANCE

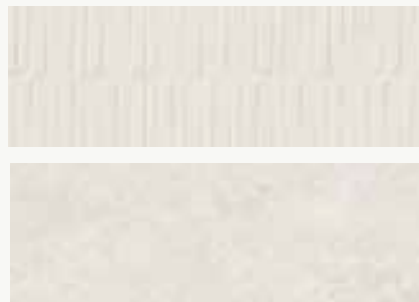

Combine the cooler Artic tone with charcoal, black and darker accents for a crisp, contemporary feel.

COLOUR INSPIRATION

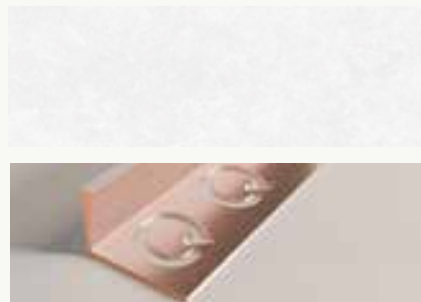

CALMING BONE

Bone pairs beautifully with coordinating limestone trims, creating a soft, inviting palette.

TEXTURED DECOR

The gentle texture paired with matching plain tiles adds warmth and highlights key features.

ARTIC MODERN

The bright artic tones can be paired with contrasting bronze, coppers and golds to create modern depth.

PERFECT PAIRINGS - BABILON PORCELAIN TILES - 600x600mm and 600x1200mm - PAGES 161-164

LEGACY

Stone Effect Wall Tiles

Legacy captures the natural beauty of stone in a refined ceramic wall tile collection. Its understated texture and gentle colour variation create a serene backdrop.

Offered in two versatile neutral shades, Bone and Artic, and available in plain and decorative options, that complements a wide range of interior styles, from minimalist to organic modern.

STYLING THE LEGACY COLLECTION

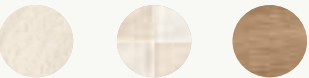

Legacy ceramic wall tiles combine gentle, stone-inspired texture with versatile plain and decor options. Two soft neutral shades create calm, light-filled interiors with understated character and timeless appeal.

1

SOFT MINIMALISM

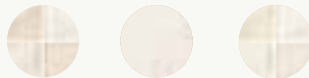

Keep spaces light and uncluttered by pairing Bone with warm whites, pale oak and simple accessories.

2

TEXTURED LAYERING

Use the decor tiles to introduce subtle surface movement on feature walls, niches and splashbacks.

3

QUIET CONTRAST

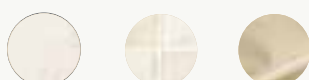

Legacy works beautifully with muted greys, stone textures and greige details for a contemporary finish.

4

WARM CONTEMPORARY

Blend plain and decor tiles with brushed brass and natural materials to create a relaxed, elevated look.

DESIGNED TO INSPIRE

Legacy adapts beautifully to bathrooms, kitchens and living spaces, bringing refined texture and a soft neutral palette to contemporary interiors.

Bone and artic offer versatile styling potential, while the decor tiles add depth and quiet interest.

WOOD-EFFECT TILES

Natural looks, enduring beauty and timeless appeal.

Our wood-effect tile collection captures the authentic character of natural timber with all the benefits of porcelain. Available in a range of tones and finishes, these tiles bring warmth, texture and a sense of calm.

From classic oak to contemporary washed tones, explore the possibilities of our wood-look range.

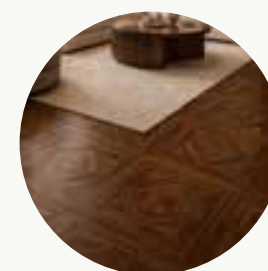

WOOD-EFFECT TILES

A VERSATILE COLLECTION OF WOOD-EFFECT TILES, DESIGNED TO OFFER THE WARM AND TEXTURE OF NATURAL TIMBER

Hardwearing, easy to maintain and perfect for both floors and walls, these tiles are an ideal choice for creating stylish, inviting interiors that stand the test of time. This collection offers an excellent alternative to traditional wooden floors, without the maintenance requirements of natural wood.

These tiles are also ideal for use with underfloor heating as there are no issues with warping or drying out. Whether you are searching for a honey oak finish or a light Scandinavian tone, there are endless possibilities within our wood-effect range.

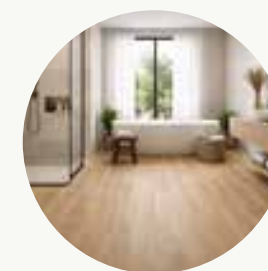

1

Legno

Characterful tiles, natural detail and luxurious decor options.

STYLING THE CHATEAU COLLECTION

Chateau is a wood-look porcelain floor tile collection that captures the finish of natural timber. With a matt finish, gentle variation and authentic grain detail, it brings warmth, balance and versatility to every interior.

1

SCANDI CALM

Light airy and effortless. Pale timber tones and soft neutrals create a serene foundation with a fresh feel.

2

NATURAL WARMTH

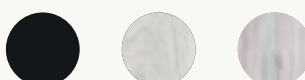

Embrace the beauty of natural oak tones. Pair with earthy accents and soft textures for a timeless space.

3

CONTEMPORARY CONTRAST

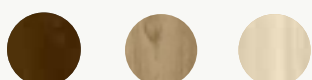

Cool greys and crisp whites meet bold accents. A refined modern look with strong architectural appeal.

4

RUSTIC MODERN

Deep wood tones and organic textures create character and depth, perfect for spaces with a natural feel.

DESIGNED TO INSPIRE

Chateau combines the beauty of timber with the durability and easy care of porcelain. Its natural grain, subtle variation and matt finish make it the perfect foundation for kitchens, living spaces and bathrooms. Creating interiors that feel both grounded and beautifully considered.

LEGNO

DECORATIVE WOOD-EFFECT TILES

Legno brings together the warmth of natural timber and the performance of porcelain, offering a refined wood-look surface with authentic grain detail, soft tonal variation and a contemporary matt finish.

Available in three inviting shades, Miele, Noce Chiaro and Noce, the collection is ideal for kitchens, dining spaces, hallways and open-plan interiors, with both decorative square formats and versatile plank sizes for timeless, characterful floors.

NATURAL STONE-EFFECT

Duranga is designed to bring the natural beauty of stone into modern interiors, with warm, effortless tones that are easy to style in every interior. Tones range from a light washed shade through to a deep walnut hue, with each shade adding a touch of luxury.

1

LIGHT NEUTRALS

Use the washed shade to create a calm, bright space that feels open and timeless.

2

WARM NATURAL TONES

Layer the medium shade with natural timber tones for a warm, inviting and relaxed atmosphere.

3

GROUNDED MODERN

Embrace stone character with light stone tones and natural finishes for contemporary luxury.

4

DEEP ACCENTS

Add depth and sophistication with the dark walnut tones, combined with light, contrasting materials.

DESIGNED TO INSPIRE

Duranga is crafted in Italy from premium porcelain, combining authentic stone character with outstanding durability for everyday living.

The rectified 610x610mm format allows for minimal grout lines and a clean, modern finish that enhances the sense of space.

With a palette that moves from light and airy to warm and grounded, Duranga adapts beautifully to any style, offering timeless elegance across all interiors.

ALPEN

Italian Slate-Effect Tiles

Alpen captures the timeless beauty of natural slate in a rich, sophisticated porcelain finish. Deep charcoal tones, subtle veining and natural stone inspired variation create an elegant, high-end style that brings depth, character and refinement.

Made in Italy, the collection is suitable for walls and floors. The 600x600mm rectified format creates a clean, seamless finish, while the durable porcelain surface and R10 surface make it practical for stylish, modern residential and commercial spaces.

INSTALLATION INSPIRATION

Available in a balanced palette of soft neutrals, cool greys and warm stone tones, combined with the decor options which introduce decorative detail and visual interest, this range can be styled in both understated and more expressive ways.

VEIN-CUT STONE INSPIRATION

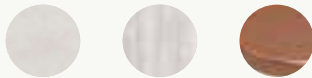

Dolomio is inspired by the layered beauty of natural vein-cut stone, reimagined in premium Italian porcelain. Its elongated movement, soft tonal shifts and carefully balanced colour palette create a sophisticated foundation for interiors that need both elegance and durability.

1

SOFT CONTEMPORARY

Use White Vien Cut to brighten interiors. Pair with pale timber, brushed copper and soft linen for a calm, modern look.

2

BALANCED NEUTRALS

Blend Grey Vien Cut with taupe, greige, soft concrete and satin metal finishes for a sophisticated scheme with gentle depth

3

WARM STONE DETAIL

Nain Decor adds subtle ornamental detail in a soft, neutral palette, making it ideal for feature walls, bathroom zones or decorative floor sections

4

ARTISAN CONTRAST

Jaipur Decor brings a more expressive surface with soft blue, grey and warm oxidised tones, perfect for statement areas with character.

DESIGNED TO INSPIRE

The neutral, calming vein cut finish of these tiles introduces warmth and natural character. Whether you combine the plain vein-cut tiles with the decor options to create contrast, zoning and movement, or use the plain tiles for calm continuity, this range will add personality and a timeless, curated finish.

BLOCK

Italian Limestone Effect Porcelain Tiles

Block brings the quiet elegance of limestone into a durable Italian porcelain collection, combining natural character with a clean, contemporary finish. Inspired by the richly detailed textures found in limestone formations, the range offers subtle surface movement and soft tonal variation for a refined, organic look.

Available in three versatile shades, Block is designed to create calm, elegant spaces across kitchens, bathrooms, living areas and open-plan interiors. Its stone-effect finish brings warmth and authenticity, while the porcelain body offers lasting practicality for everyday use.

INSTALLATION INSPIRATION

Block offers a modern yet authentic stone-effect finish with a choice of White, Grey and Beige tones. The range is available in multiple formats, giving flexibility for different room sizes, layouts and design styles.

CONTEMPORARY LIMESTONE INSPIRATION

Block is inspired by the calm beauty of natural limestone, reimagined in high-quality Italian porcelain. Its balanced palette and softly detailed surface make it easy to style across both residential and commercial interiors.

1

LIMESTONE CALM

Use White and Beige to create bright spaces. Pair with warm whites and pale oak and understated scheme.

2

MODERN STONE

Grey adds a contemporary edge, working beautifully with monochrome details, black accents and architectural detail.

3

WARM NATURAL

Beige brings warmth and softness to the collection. It works beautifully with natural timber and brushed brass for a relaxed feel.

4

LAYERED NEUTRALS

Combine shades with stone-effect trims and matching finishes to create depth, movement and a coordinated natural scheme.

DESIGNED TO INSPIRE

From soft neutral bathrooms to large open-plan living spaces, Block creates a natural foundation with understated texture and timeless appeal. Whether used as a subtle backdrop or a full floor finish, Block brings a sense of quiet sophistication and natural elegance to every space.

PIETRA DI TRANI

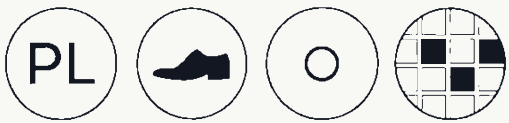

Italian Limestone Effect Floor Tiles

Inspired by the timeless beauty of natural stone from southern Italy, Pietra Di Trani captures the authentic character of Apulian limestone in a refined porcelain format. Soft tonal variation, subtle texture and a gently weathered appearance create a warm, elegant surface with natural charm.

Expertly crafted in Italy, this collection combines the visual richness of limestone with the durability and practicality of porcelain. The generous 600 x 900 mm format enhances spatial flow, creating a seamless and sophisticated finish for both contemporary and classic interiors.

BALANCED NEUTRAL

When combined the colours offer a beautiful understated stone effect, ideal for bathrooms, open-plan interiors and calm minimalist interiors.

DESIGNED TO INSPIRE

Durable, versatile and easy to style, Stratos works beautifully in minimalist homes, spa-inspired bathrooms and refined commercial spaces. The lightest shade White creates bright, open interiors with a fresh travertine look. With Mud and Bone offering a balanced neutral style with gentle warmth.

MONTPELLIER

Cushion Edge Stone Effect Tiles

Montpellier brings the relaxed character of aged Mediterranean stone into a durable porcelain tile collection. Soft surface movement, weathered detail and gently cushioned edges create an authentic worn-stone look with timeless charm.

Available in Cream and Taupe, the range offers a warm, natural palette that works beautifully in traditional, rustic and contemporary spaces. The generous format creates a sense of scale and flow, while the matt finish gives a soft, understated feel.

MORE INFO

TRAVERTINE STONE INSPIRATION

Montpellier is inspired by relaxed living, weathered stone terraces and timeless Mediterranean interiors. Its softly aged surface and natural tonal variation create a lived-in look that feels elegant without being overly formal.

1

SUN-WASHED CREAM

Use Cream to create light, open spaces with a soft limestone feel. Pair with warm white walls, pale timber and natural greenery.

2

WARM TAUPE STONE

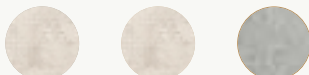

Choose Taupe for a richer, earthier finish. Style with oak, brass trims, terracotta and textured neutrals for a relaxed rustic scheme.

3

NATURAL WARMTH

Taupe brings gentle depth and a more grounded tone, ideal for kitchens, dining spaces and areas where a cosy stone effect is needed.

4

TIMELESS PAIRINGS

Layer Montpellier Cream with timber, woven textures, antique brass and stone accessories for an inviting scheme with natural charm.

DESIGNED TO INSPIRE

The cushion edge gives each tile a softer, more traditional appearance, helping to recreate the look of aged flagstones with the practicality of porcelain. Durable, versatile and beautifully understated, it brings warmth and character to kitchens, garden rooms, patios, hallways and open-plan spaces.

AIDEN

Rustic Stone Effect Tiles

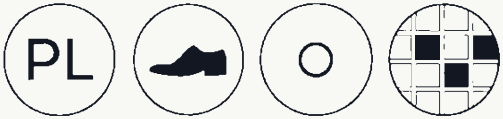

Aiden captures the character of time-worn natural stone in a durable porcelain format. With soft tonal movement, lightly weathered surface detail and an irregular rustic edge, the collection creates an authentic aged-stone look with warmth, texture and understated charm.

Available in Ash, White and Sand, Aiden offers a versatile palette for relaxed interiors and outdoor-inspired spaces. The generous 610 x 910 mm format gives the tile a flagstone-style presence, making it ideal for kitchens, hallways, garden rooms, patios and open-plan living areas.

---------------------	----------------------------	--------------------

INSTALLATION INSPIRATION

Regency Marble is perfect for interiors that need brightness, elegance and a high-end marble look. The large rectangular format reduces grout lines and allows the grey and gold veining to flow beautifully across walls and floors.

CALACATTA MARBLE STYLE

Regency Marble is inspired by the timeless appeal of Calacatta stone, known for its bright white base and striking grey and gold veining. Recreated in polished or satin finish porcelain, it brings the grandeur of natural marble into modern interiors with a practical, easy-to-maintain finish.

1 CLASSIC LUXURY

Use Regency Marble with warm white walls, brushed brass and soft neutral furnishings to enhance the gold veining

2 POLISHED SPACES

The polished finish reflects natural and artificial light beautifully, making it ideal for bathrooms, kitchens and open-plan spaces.

3 MODERN MARBLE

Pair the white marble effect with black accents, charcoal cabinetry or dark timber for a stronger, modern look..

COLOUR INSPIRATION

WARM CALACATTA

Warm marble with gold veining pairs with warm metallic accents to create a bright palette.

SOFT LUXURY

Mix textures to create a soft contrast and a luxurious architectural feel.

MIXED TEXTURE

Pair luxurious marble with natural timbers to create an elegant, timeless interior.

PERFECT PAIRINGS - REGENCY MARBLE PORCELAIN TILES - 300x600mm & 600x600mm - PAGES 79-82

REGENCY MARBLE WHITE

Calacatta Marble Effect Tiles

Regency Marble White brings the elegance of classic marble into a refined porcelain floor tile collection. A bright white base, delicate grey veining and natural tonal movement create a luxurious surface with timeless appeal. Available in 600 x 600 mm and 600 x 1200 mm formats, and in satin or polished finish.

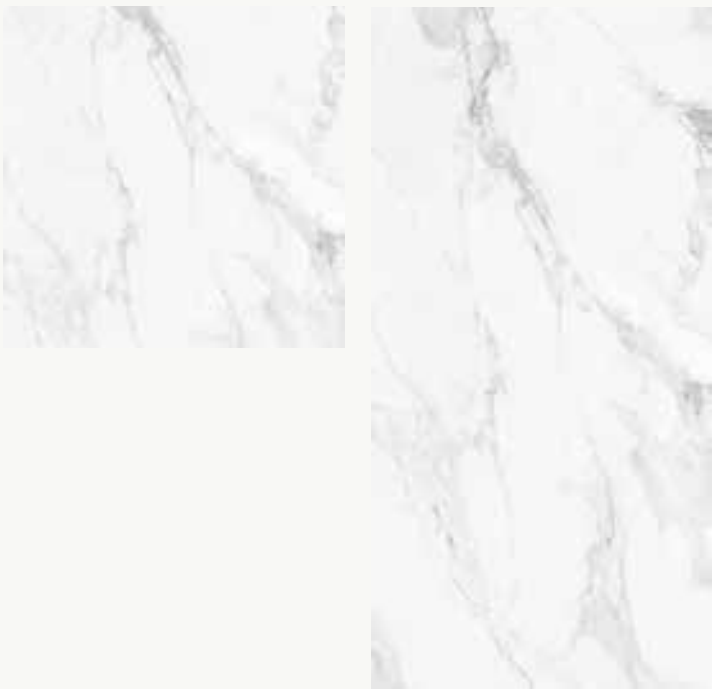

This rectified porcelain range offers flexibility for both classic and contemporary interiors. The square format creates a balanced, elegant layout, while the large rectangular format enhances scale and flow across open spaces.

Regency Marble White is ideal for interiors that need brightness, elegance and a premium marble-inspired finish. The 600 x 600 mm size offers a timeless, balanced floor layout, while the 600 x 1200 mm format allows the marble veining to flow with greater impact.

CALLACATTA INSPIRATION

Inspired by the enduring beauty of white marble, Regency Marble White creates a light, elegant foundation for contemporary interiors. Its soft grey veining brings movement without overpowering the space, creating a clean and elegant foundation for classic, contemporary and minimalist schemes.

1

POLISHED LUXURY

Use the polished finish to create bright, reflective interiors with a high-end marble look. Pair with brushed brass & cream.

2

SATIN ELEGANCE

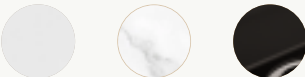

Choose satin for a calmer, more contemporary effect. Style, warm white walls and satin metals for a relaxed yet sophisticated scheme.

3

CLASSIC CONTRAST

Introduce charcoal, black accents or darker timber to define the space and create a more modern look against the marble surface.

4

WHITE MARBLE CALM

The clean white base and soft grey veining create a bright, elegant foundation for living areas, hallways and open-plan interiors.

DESIGNED TO INSPIRE

Choose polished for a reflective luxury finish, or satin for a softer, more understated marble look. Its V3 variation introduces natural movement and subtle differences between tiles, giving the surface a more authentic stone-inspired character while keeping the overall look clean, bright and refined.

STORM

Black Marble Effect Porcelain Tiles

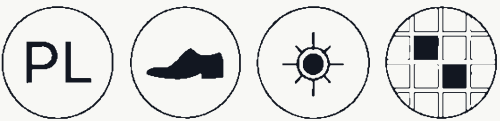

Storm brings dramatic depth and polished style to contemporary interiors. Its rich black surface is enhanced with elegant marble-effect veining, creating a bold, luxurious tile design with striking visual impact.

Crafted in durable porcelain with a rectified edge and polished finish, Storm is ideal for spaces that need both style and strength. The generous 600 x 1200 mm format creates a sleek large-format look, making it perfect for statement floors, feature walls, bathrooms, living areas and commercial interiors.

Storm is designed for interiors that need contrast, elegance and a strong design statement. The black marble-effect surface brings depth and movement, while the polished finish reflects light beautifully, helping to soften the intensity of the dark tone.

SOFT STONE INSPIRATION

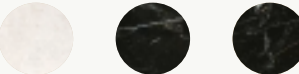

Storm is inspired by the timeless beauty of dark natural marble, reimaged in a practical porcelain format. Its deep black base and subtle veining create a refined, high-end look that works beautifully in modern bathrooms, open-plan spaces, boutique interiors and commercial settings.

1

DARK LUXURY

Use Storm across larger floor areas to create a dramatic look. Pair with warm lighting & soft neutral walls for a refined

2

MONOCHROME CONTRAST

Balance the black marble effect with crisp white sanitaryware & chrome trims for a clean, contemporary scheme with strong contrast.

3

WARM METALLIC DETAIL

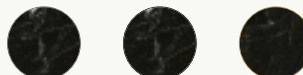

Introduce brushed brass, bronze or dark timber to soften the bold black surface and add warmth, richness and boutique-style sophistication.

4

LARGE FORMAT IMPACT

The large format size creates a more continuous finish, ideal for open spaces and statement interiors.

DESIGNED TO INSPIRE

Bold yet elegant, Storm brings atmosphere, polish and contemporary luxury to every surface. The deep black base and marble-effect veining create a dramatic surface with timeless luxury and contemporary edge. Its large 600 x 1200 mm format reduces grout lines and creates a more seamless, architectural finish across floors and walls.

ALLURE

Polished Onyx Effect Porcelain Tiles

Allure brings a luxurious onyx-style finish to interiors, combining flowing tonal movement with a polished porcelain surface. Its elegant layered detail and vibrant natural-inspired tones create a refined look that feels bright, smooth and beautifully sophisticated.

Designed for both walls and floors, Allure offers a striking large format surface for bathrooms, living areas, feature walls and contemporary open-plan spaces. The generous 600 x 1200 mm format creates a seamless sense of flow, while the rectified edge and polished finish deliver a clean, elegant result.

SOFT STONE INSPIRATION

Allure is inspired by the fluid beauty of natural marble and onyx-style stone, recreated in durable porcelain for everyday interiors. Its polished surface enhances light and reflection, while the flowing pattern gives each space a sense of movement, luxury and depth.

1

POLISHED WARMTH

Use Perla to create bright, elegant interiors with gentle warmth. Pair with natural oak, soft beige textiles for an inviting scheme.

2

COOL LUXE MOVEMENT

Choose Smerato for a more contemporary look with subtle grey-blue depth. Style with chrome, soft grey furnishings for a calm finish.

3

SEAMLESS FINISH

Use the large format across larger walls or floors to reduce grout lines and allow the marble movement to flow beautifully in the space..

4

LIGHT MARBLE GLOW

Perla creates a soft, polished surface, perfect for bathrooms, bedrooms, living spaces and elegant feature walls.

DESIGNED TO INSPIRE

Available in Perla and Smerato, the collection offers two refined colourways: Perla brings light warmth and gentle creamy movement, while Smerato introduces a cooler, more atmospheric stone effect with subtle grey-blue depth. Both options create an elegant surface that works beautifully across modern bathrooms, open spaces and design-led interiors.

ICELAND

Onyx Inspired Porcelain Tiles

Iceland brings the dramatic beauty of onyx into a bold, ultra-gloss porcelain collection. With flowing translucent-style movement, vibrant colour depth and a polished reflective surface, the range creates a striking focal point for interiors that need elegance, personality and visual impact.

Available in Mint, Topaz, Midnight, White and Navy, Iceland offers everything from soft luminous neutrals to rich jewel-inspired tones. The generous 600 x 1200 mm format enhances the sense of scale, allowing the layered onyx effect to flow beautifully across walls and floors.

Iceland is designed for interiors that need more than a simple backdrop. Its high-gloss surface reflects light beautifully, while the onyx-inspired pattern introduces depth, movement and a luxurious stone-like appearance.

ONYX COLOUR INSPIRATION

The range combines bold colour, polished shine and expressive veining to create interiors with a boutique, design-led feel. Perfect for statement bathrooms, feature walls, kitchen splashbacks, commercial spaces and luxury open-plan interiors.

1

LUMINOUS CALM

Use White for bright, refined spaces. Pair with warm white walls, pale timber and brass for an elegant, light-filled scheme.

2

JEWEL-TONE STATEMENT

Choose Mint or Navy to introduce colour with sophistication. Style with timber and warm lighting to let the tile be the feature.

3

DRAMATIC DEPTH

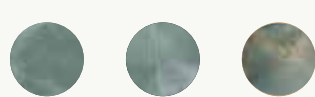

Use Midnight for a dark, atmospheric finish with strong visual impact. Pair with black and metallic accents for a boutique feel.

4

ONYX GLOW

Mint brings a soft green-blue tone with natural movement, ideal for feature walls, shower areas & statement living spaces.

DESIGNED TO INSPIRE

Iceland is inspired by the layered beauty and luminous quality of natural onyx, reimagined in a durable porcelain format. Use White or Topaz for a bright, elegant scheme, Mint for a soft statement look, or Navy and Midnight for richer, more dramatic interiors.

SAN FRANCISCO

Industrial Metal Effect Porcelain Tiles

San Francisco brings an urban, industrial edge to contemporary interiors, combining metal-inspired surface detail with a refined lappato finish. Its weathered tones, subtle shine and layered colour movement create a bold yet sophisticated surface with depth, texture and modern character.

Available in White, Black, Graphite and Aquamarine, this large format porcelain range is designed for statement interiors, feature walls, open-plan spaces and design-led commercial settings. The generous 1200 x 600 mm format enhances scale and creates a sleek, architectural look across both walls and floors.

INSTALLATION INSPIRATION

San Francisco is ideal for interiors that need impact, texture and a contemporary industrial finish. The metal-effect surface gives each colour a distinctive character, from soft oxidised light tones to deep dramatic shades and bold aquamarine accents.

INDUSTRIAL SURFACE INSPIRATION

San Francisco is inspired by the raw beauty of aged metal, oxidised surfaces and urban architectural materials. Its layered tones and lightly reflective finish create a striking porcelain surface that feels both bold and elegant

1

URBAN MINIMALISM

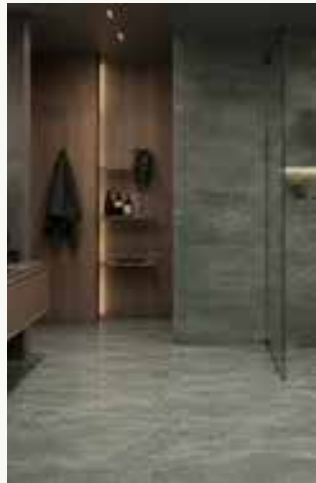

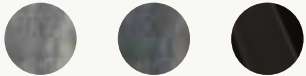

Use White to create a lighter industrial look with soft texture. Pair with concrete, metal trims and minimal black accents.

2

DARK ARCHITECTURAL

Choose Black or Graphite for a dramatic, design-led finish. Style with matt black fixtures, dark timber and warm lighting to create depth and contrast..

3

OXIDISED ACCENT

Use Aquamarine as a statement shade for feature walls and interiors. Pair with bronze, walnut and charcoal for a rich, atmospheric look.

4

LIGHT INDUSTRIAL

White brings a softer take on metal-effect styling, ideal for bright interiors that need texture without feeling too dark or heavy.

DESIGNED TO INSPIRE

Designed for interiors with personality, the collection works beautifully in boutique bathrooms, statement kitchens, retail spaces, restaurants and contemporary open-plan schemes. The lappato finish adds a subtle reflective quality, helping the tiles catch the light while maintaining a refined, modern feel.

LABRADORITE

Super Polished Porcelain Tiles

Labradorite captures the rare beauty of natural labradorite stone in a dramatic super polished porcelain tile. Deep mineral tones, flashes of blue and layered iridescent detail create a luxurious surface with depth, movement and striking visual impact.

Designed for both walls and floors, this large format tile is ideal for interiors that need a bold, high-end statement. The generous 600 x 1200 mm format allows the pattern to flow beautifully across larger spaces, creating a seamless, reflective finish with a sophisticated contemporary feel.
